

KMC Studios
COVID-19 Protocols

Guidelines for facility, dance floor, staff, dancers and parents

Facility & Dance Floor

1. There will be no use of ballet barre or props of any kind until we are in phase 3.
2. There will be a 10 minute gap in between all classes to properly clean, sanitize and safely transition one class to the next.
 - a. In studios where this can be applied, dancers will enter through the front doors and exit through the back.
3. All door handles, bathrooms and floors will be cleaned and sanitized in between all classes.
4. Class sizes will be limited, see below for dates and numbers allowed:
 - a. Beginning June 1st, 2020 - 4 persons or less
 - b. Beginning June 15th, 202 we will move to 10 persons or less
 - c. We will have square space marked off at 8 feet apart for each dancer. Please note we have decided to extend the extra two feet from the recommended six feet.
5. All common area will be marked with social distancing reminders, including floor stickers.
6. All backroom/dressing areas will be closed off until further notice.
7. There will be no lingering or loitering in the studio.
8. At the end of each day, a full studio sanitation will take place, and all hand sanitizers will be refilled on an as needed basis.

Staff

1. Must be fever and symptom free for at least 72 hours before entering the studio. This includes staff and all members of their household.
1. Temperatures will be taken upon arrival to the studio, 99.6 and under will be allowed.
2. Qualifying questions:
 - a. Have you had a cough, or a change in your cough?
 - b. Have you had a fever or sore throat?
 - c. Have you experienced shortness of breath?

3. Washing hands and using hand sanitizer will be required at the start and end of each class.
4. Staff will be required to wear masks and keep a safe distance away from all students.
5. Proper dance attire will be required, including close toed shoes for all staff.
6. Staff to be at doors before and after class, to ensure a smooth transition from one class to the next.

Dancers/Parents

2. Must be fever and symptom free for at least 72 hours before entering the studio. This includes dancer and all members of their household.
3. Pending arrival of thermometers, temperatures will be taken at the door before class begins.
4. Qualifying questions to be asked each class:
 - a. Have you had a cough, or a change in your cough?
 - b. Have you had a fever or sore throat?
 - c. Have you experienced shortness of breath?
5. Use of hand sanitizer will be strictly enforced before and after class.
6. Proper dancewear will be enforced:
 - a. Dancers must wear tights or leggings to each class
 - b. Proper footwear for each class will be required.
 - i. During this time we ask that all dancers wear a shoe regardless of class.
7. Dancers may bring a CLEARLY LABELED water bottle into class.
8. No parents will be allowed to enter in the studio. Staff will help to facilitate all drop off and pick-ups are handled safely.
9. Dancers are to go directly onto the dancer floor into a labeled square space. (8 foot space)
